

INTERXION AMS7

AMSTERDAM SCHIPHOL CAMPUS

LOCATION
Cessnalaan 50, 1119 NL Amsterdam

Amsterdam's leading interconnection hub

Interxion's AMS7 is located in our Amsterdam Schiphol Campus, just ten minutes from Schiphol International Airport. The modern facility that opened in 2015 offers N+1 UPS power and N+1 cooling, as well as the most advanced alarm and monitoring systems. AMS7 supports the latest high-density power configurations and has been designed using Interxion's energy-efficient modular architecture, with 100% renewable energy, free cooling and maximum-efficiency components as standard.

Metro Connect

Interxion has connected its data centers with MetroConnect on the Amsterdam Schiphol Campus with an ultra-fast, 100 Gbit/s connection to its data center on the Amsterdam Science Park.

At a glance

- Over 7,200m2 of conveniently located equipped data centre space
- Trained security staff on site 24x7
- Located in Interxion's Amsterdam Schiphol Campus with four other Interxion data centres: AMS3, AMS5, AMS8 and AMS10.
- Direct access to 30 carriers/ISPs and NL-IX exchange
- ASHRAE-standard temperature and humidity SLAs
- 100% renewable energy is used in our data centres
- Sustainable ATES (Aquifer Thermal Energy Storage) cooling system

About Interxion

Interxion (NYSE: INXN) is a leading provider of carrier and cloud-neutral colocation data centre services in Europe, serving a wide range of customers through over 50 data centres in 11 European countries. Interxion's uniformly designed, energy efficient data centres offer customers extensive security and uptime for their mission-critical applications. With 700+ connectivity providers, 21 European Internet exchanges, and most leading cloud and digital media platforms across its footprint, Interxion has created connectivity, cloud, content and finance hubs that foster growing customer communities of interest.
